

Who are we

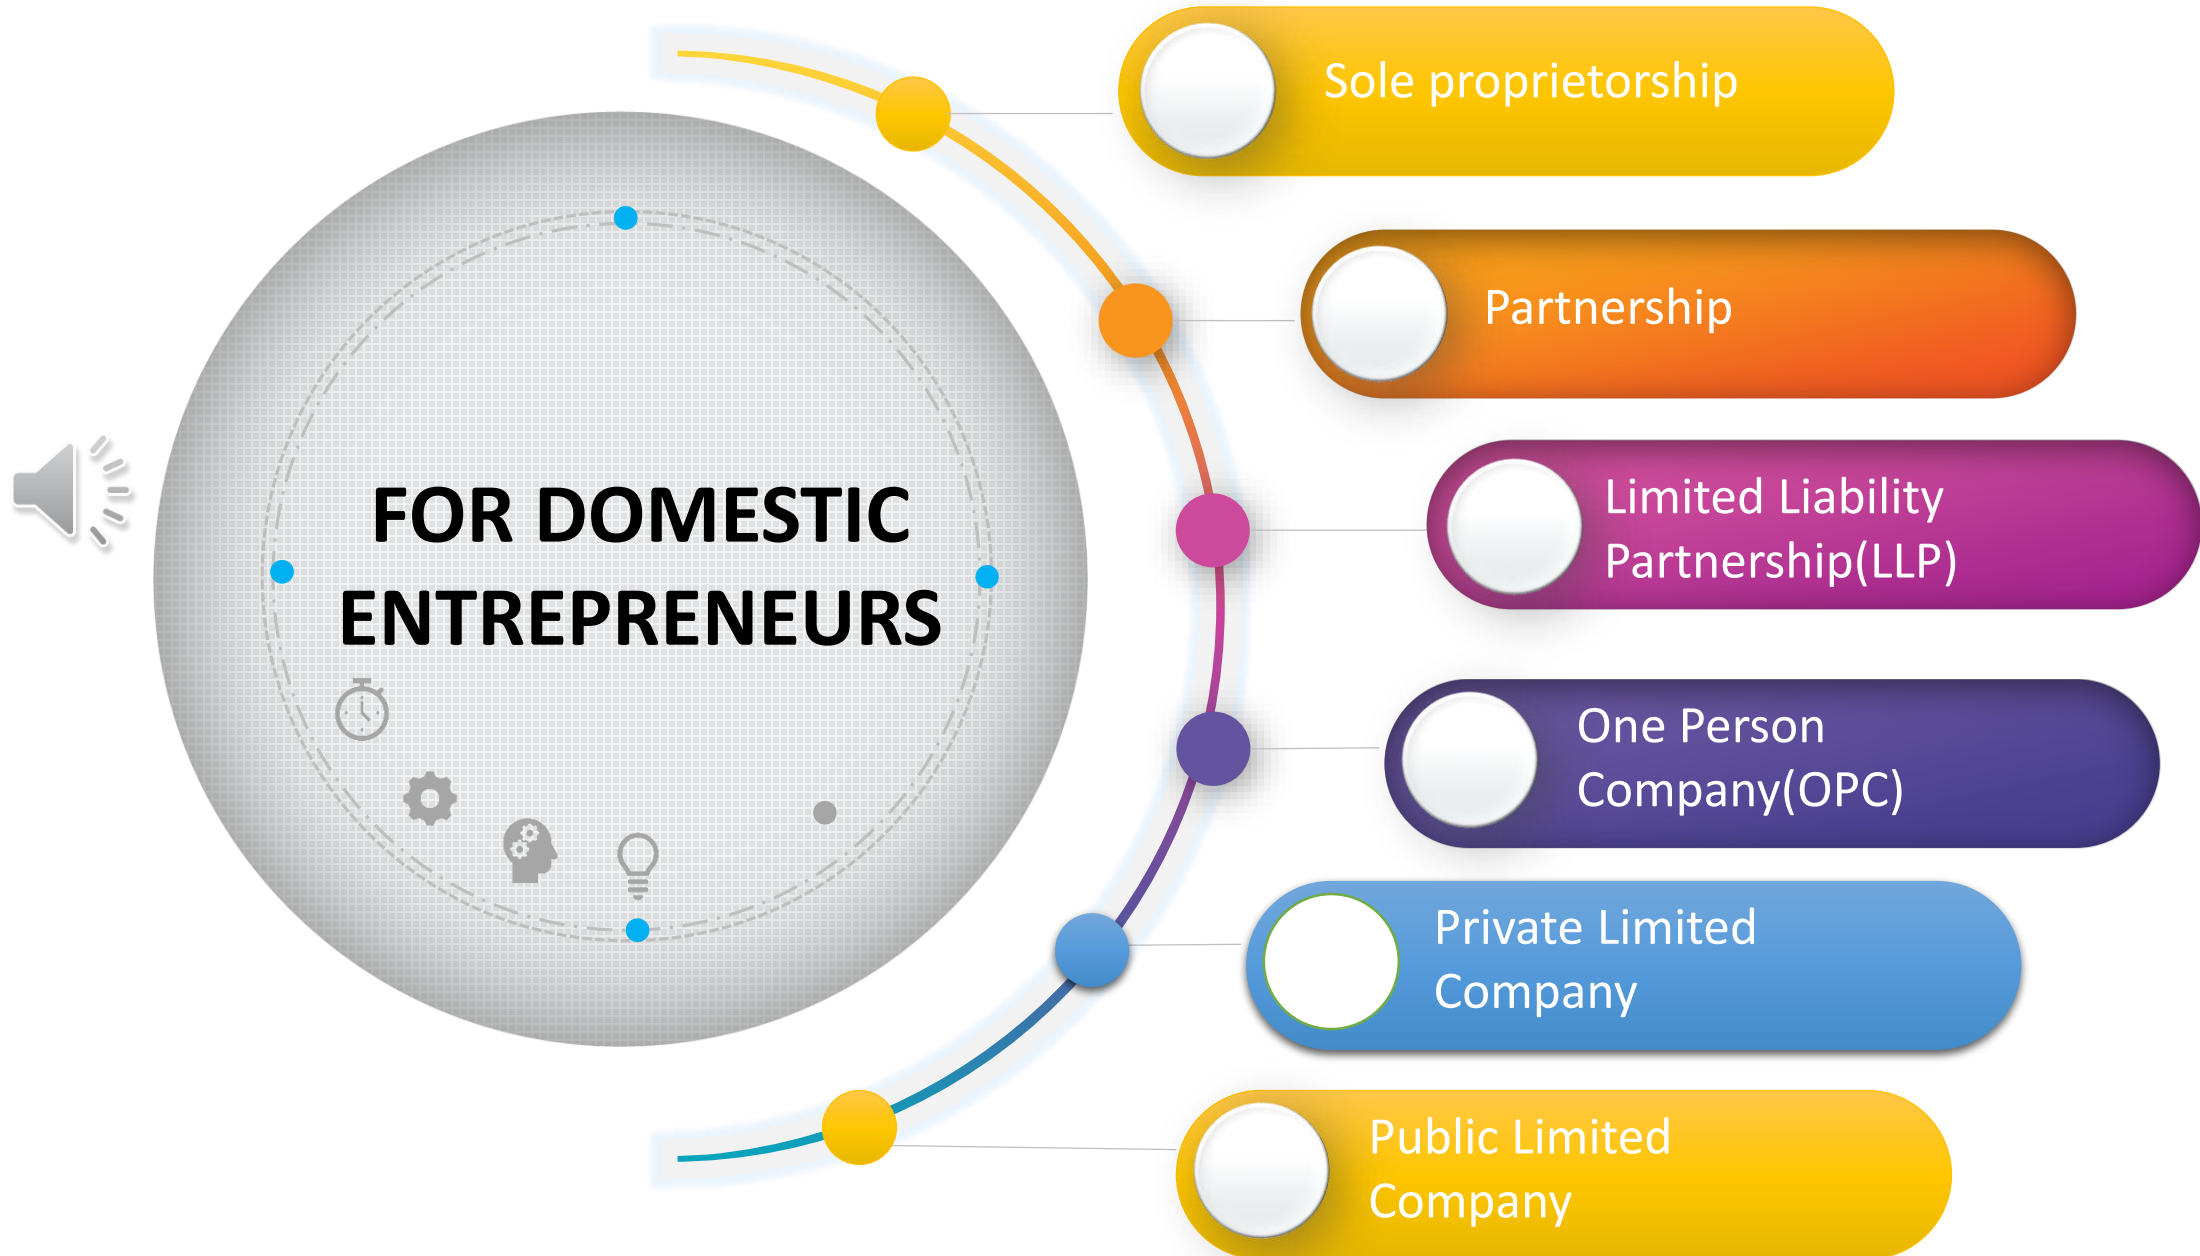

We are a conglomeration of enthusiastic, young and experienced professional, with comprehensive experience in varied industries and virtuoso over dynamic business models. Individually we have experience in variegated financial fields like start-up counselling, taxation, payroll management, financial viability, etc. Our passion towards accounting, corporate taxation, corporate laws and risk based audits binds us together and we aim to deliver an all-encompassing support.

We believe that every company has unique needs and challenges a 'one size fits all' approach cannot actualize the optimum growth of the company. Our service starts with understanding your business, your needs and delivering a service tailored as per your unique requirements.

Numbro offers a plethora of consulting services, specially designed to nurture your company to reach its pinnacle. Our A La Carte style services allow you to hand pick precisely what you need. Whether you're looking for a small tweak or complete overhaul, we have you covered!
